

Talitha Batts

Award-Winning Certified Leadership Trainer, Speaker & Business Coach,
Talk Radio Show Host

Creator of **SUCCESS OUTSIDE THE BOX**

An Energetic & Refreshing Perspective on Creating Success by Entrepreneurship

In May 2017, Talitha received the global leadership award “Iconic Women Creating A Better World For All,” presented by the ALL Ladies League in New Delhi, India. Talitha presents keynotes, breakout sessions, panel discussions, webinars and boot camps that have consistently received rave reviews at conferences and seminars. Her credibility is a product of a 25 year career in Business coupled with 15 years of Entrepreneurship. She translates her stories, world travel and experiences in domestic and international business into humorous, passionate and sincere presentations.

After graduating from the University of North Carolina at Charlotte with a Bachelor’s and ECPI College of Technology’s Computer & Telecommunications program, Talitha spent over 20 years being mentored and eagerly soaking up the knowledge of Fortune 500 companies such as MCI, Wells Fargo and Lenovo. Her keen business sense and pure motivation has yielded positive results as an entrepreneur. She has traveled throughout China, Africa, Europe, Mexico, Caribbean and the United States which challenged her to use

her voice and ability as a platform to help others achieve their goals and connect with like minds.

Talitha created Success Outside the Box, a sought after talk radio show, to highlight individuals who have achieved their success despite their turbulent past or unforeseen obstacles such as single parenting, homelessness, health issues, minimum education, prison and more. As she interviewed countless amounts of guests, many began to request her to share her knowledge, vast experiences and passion for entrepreneurship with the world. Now, she sits on the Executive Board of United Nations Women where she encourages all women everywhere to be women of influence who lead in communities, schools, organizations and inside family structures with compassion, wisdom and the highest integrity.

Ms. Batts has successfully launched the Success Outside the Box Business Boot Camp with a series of learning modules which teaches Business Development and Entrepreneurship to clients eager to create businesses in their own communities. Talitha’s love for Adult Learning prompted her to complete a dual Masters in Education Technology and Management Information Systems at North Carolina Central University. Talitha has dedicated her life to helping others and is a true women leader in her community and abroad.

Talitha continues to excel and deliver, taking the Success Outside the Box brand to heights unimaginable! Check out the newest site www.getsuccessoutsidethebox.com
